RIDE LIKE CRAZY 2011

How could we resist doing this all again? We are pleased to announce:

Ride Like Crazy 2011 - Sunday 16 January, 2011

Gold sponsors

RLC 2011 will be very similar to the last ride and two worthy charities will again benefit greatly. More information about the charities will be provided when **RLC 2011** is launched in August 2010, following the presentation of the cheques to this years charities. We will remain true to the cause and focus profits to cancer and other serious health research, prevention and treatment.

Our goal is to increase the number of riders whilst maintaining the 'good fun' feel that was so evident this year. More information on RLC 2011 (including when registrations open) will be out soon.

In very simple terms - more riders equals more money for charity - so please give some serious early thought to joining in and getting a freind/s to come along. This is simply a great event, done for the right reasons with a truly benevolent approach to getting as much money to charity as possible.

Now that's got to be worth the effort.

Again - thanks for 2010 and lets make 2011 even more special!
